Students found to have engaged in cheating or academic dishonesty will be subject to disciplinary penalties according to the Student Code of Conduct.

Behaviors defined as cheating are:

- Giving or receiving information, looking on someone else’s work, or allowing someone else to see one’s work during an exam, test or quiz.

- Copying work assigned to be done independently or letting others copy one’s work.

Plagiarism is defined as any misrepresentation of another's work as one's own, including the copying of sentences, phrases, images, entire essays, passages from an undocumented source, musical scores, and other similar works.

CLUBS

Student clubs or organizations such as band, choir, student council, cheerleaders, twirlers, crime stoppers, Christ on campus, robotics, and athletics have established rules of conduct and consequences for violations of rules that are more strict than those of students in general. ****Some field trips may have special rules governing eligibility.**

GRADING GUIDELINES

Grading guidelines for each grade level or course will be communicated and distributed to students and their parents by the classroom teacher. These guidelines establish the minimum number of assignments, projects, and examinations required for each grading period. In addition, these guidelines establish how the student's mastery of concepts and achievement will be communicated (ie, letter grades, numerical averages, checklist of required skills, etc.). Grading guidelines also outline in what circumstances a student will be allowed to redo an assignment or retake an examination for which the student originally made a failing grade. Procedures for a student to follow after an absence will also be addressed. (See EIA(Local))

The following grading guidelines will apply:

- Academic grades will reflect learning as described in the Texas Essential Knowledge and Skills and district documents, not student behavior.
- Student mastery of subject matter is assessed in a variety of ways. It is not necessary for all grades to have as their source written paper work. Teachers will monitor and provide feedback to students for any activity which is assigned. Feedback will not always be in the form of a grade.
- The responsibility of grading student work belongs with the teacher. While peer review (peer editing and marking) can be a valuable learning activity, students will not grade assessments or other major assignments. Peer marking of homework and/or other assignments is acceptable but the teacher must review the work before assigning the final grade.

Grade Promotion/Retention

Course assignments and unit evaluations shall be given to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade. Promotion shall be determined as follows:

Grades 6-8

In grade 8, all SSI requirements will apply {see EIE(LEGAL)}. Additionally, in grades 6–8, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) for all subject

areas and a grade of 70 or above in two of the following areas: language arts, mathematics, science, and social studies.

Grades

The following are the types of assignments teachers may assign for grades:

- Major assignments/assessments including tests, examinations, projects and presentations, and compositions.
- Daily work, which is designed to be completed during a class period.
- Homework, which is assigned to be completed at home as an extension of the assignment or concepts covered in class.

In grades 6-12, a minimum of 3 major assignment grades must be taken each six weeks in each core academic area (ELA, Reading, Writing, Mathematics, Science, and Social Studies).

In grades 4-12, a minimum of 10 daily grades must be taken each six weeks in each core academic area (ELA, Reading, Writing, Mathematics, Science, and Social Studies).

Grades taken on homework assignments are calculated as daily grades. Of the 10 daily grades taken, no more than three may come from homework assignments.

No one grade in any category may count for more than 20% of a student's six weeks grade in any subject.

Calculating Averages

All numeric averages reported on Progress Reports and Report Cards will be determined using a percentage grading system.

Grades 6-8 - The following percentages and assignment types will be used:

- Major grades/assessments= 50%
- Daily grades/homework=50%

In grades 6-8, except in the courses for which high school course credit is earned, student's grades in each subject from both semesters will be averaged to determine the final grade in the subject.

Guidelines pertaining to calculating semester and final course grades high school will apply in courses offered for which high school credit is earned in grades 6-8.

Progress Reports to Parents

The purpose of the Progress Report is to inform students, parents/guardians, and campus administrators regarding progress in a subject, in conduct, or in both. The Progress Report reflects both satisfactory and unsatisfactory student progress.

Teachers must issue progress reports at three (3) weeks of each grading period to the parents of all students with a grade average of 75 or below. Teachers may issue interim reports for other students as well. [See EIA(LOCAL)]

Report Cards

Report cards are usually issued to students on the Friday following the close of each six-week period during the school year. At the close of each school year, the final report card is issued at a time and in a manner designated by each school principal.

Campuses will report six-week averages to parents/guardians as numerical scores in all core content areas in grades 1-12 and electives in grades 6-12. The following relates the numerical scores:

- 90-100 Excellent Progress
- 80-89 Good Progress
- 70-79 Fair Progress
- Below 70 Failing

Students are assessed on conduct by each teacher. The conduct grade indicates how well the student is performing in classroom citizenship. Conduct marks may affect eligibility for participation in school activities; poor conduct interferes with a student's ability to learn in class. The following letter system is used to report a student's conduct:

- E Excellent – The student displays an excellent attitude, excellent work habits and excellent overall conduct. The student is always cooperative and consistently observes rules and regulations.
- S Satisfactory – The student displays a good attitude, good work habits and good overall conduct. The student is cooperative and generally observes school rules and regulations.
- N Needs Improvement – The student displays a fair attitude, fair work habits and fair overall conduct. The student is at times uncooperative, at times a distraction to the learning environment, and does not consistently observe classroom/school rules and regulations.
- U Unsatisfactory – The student displays a poor attitude and is consistently uncooperative. The student persistently disrupts the learning environment and shows little respect for the school, classroom, and/or rules and regulations.

Incompletes

A student receiving an Incomplete for a grading period has five (5) school days to convert the incomplete grade to an earned grade. The teacher must communicate to the student the nature of the outstanding work and the time limitation for completing the work. Additional time may be granted by the campus principal for extenuating circumstances.

Conferences

Parents shall be provided any relevant information concerning their child that will enhance their understanding of the child's ability, effort, success, or progress in the school program. Communicating with parents is one of the most important responsibilities of teachers. Teachers will use the following techniques, as applicable, in maintaining communication with parents:

- Report cards, with comments as appropriate.
- Written notices regarding excellent or unsatisfactory performance, attendance, conduct, appointments, supplementary services, and/or other areas of concern or interest.
- Personal conferences.
- Telephone communication.
- E-Mail communication.
- Teachers will communicate with parents by telephone, email, or personal conference if a student has not received a passing grade at the end of the three-week interim reporting period, at the end of the six-weeks grading period, if the student receives two zeros during a grading period, and/or when ascertaining that a student is performing below a level that will permit him or her to meet promotion requirements or earn high school credit in accordance with EIE(LOCAL).

Homework/Daily Work

Homework is independent practice used to reinforce topics covered in class. Daily work can be guided/independent practice used to reinforce topics during class time. Students not turning in homework assigned when due is subject to be referred to the HMS student assignment recovery program known as DAP (Delinquent Assignment Process).

Homework will be used to enrich or reinforce topics covered in class and should satisfy as least one of the following objectives:

- To provide a drill that helps the student practice the basic skills of a subject.
- To give the student practice and extension of concepts learned in class.
- To extend learning beyond the material that can be covered in class.
- To develop effective study methods.
- To help the student prepare for classroom work.
- To allow the student to make up work after an absence.
- To provide a means of reteaching essential knowledge and skills.

Homework will not be assigned as punishment. The teacher is responsible for assigning effective, well-planned homework assignments that aid the student in the mastery of the essential knowledge and skills.

Make Up Work

Any student missing classroom instruction shall be given the opportunity to make up the missing assigned work based upon the following guidelines:

- Students are responsible for asking teachers for the makeup work upon returning to class.
- The number of classes allowed for makeup work to be completed for full credit will be equal to the number of times a class was missed.
- A student shall not, on the day of returning to school, be required to take a quiz or test that was announced during his/her absence.
- Makeup work, including tests, may be of an altered version. Teachers may assign alternate work to assure that students who have been absent have sufficient opportunity to master the TEKS or to meet subject or course requirements. The assignments shall be based on the instructional objectives for the subject or course and may provide greater depth of subject matter than routine makeup work.
- Any makeup assignment not turned in within the allotted time falls within the late work guidelines.

Failed Assignments and Tests

A student shall be permitted three days to redo an assignment or retake a test for which the student received a failing grade. If a student earns a 70 or higher on the second assignment, a grade of 70 shall be recorded in the grade book. If a student fails to earn a 70 on the second assignment or test, the higher of the two grades is recorded.

Work assigned to be redone due to academic failure by a student, including tests, may be of an altered version.

Late Work/DAP (Delinquent Assignment Process)

Students are given adequate time to complete and turn in their assignments. Teacher is required to contact parent when an assignment is not turned in. Contact can be made by phone, text, and/or email. Students who submit an assignment after the due date are subject to the following penalties:

- | | |
|-----------------------|---------------------|
| • 1 day late | 80% of earned grade |
| • 2 days late | 70% of earned grade |
| • 3 days late | 50% of earned grade |
| • 4 or more days late | 0% of earned grade |

A student who submits work late and receives a failing grade is not permitted to redo the assignment.

INCLEMENT WEATHER

Listen to local radio stations for announcement of school closings. In addition, information will be provided by KLTV channel 7 and KETK channel 56 whenever possible.

IN SCHOOL SUSPENSION

The In School Suspension (ISS) is an alternative placement for those students whose behavior disrupts class and takes away time from the learning environment. *Students will not be allowed to participate in extracurricular activities while in ISS.*

The ISS Center is supervised by a teacher who manages the daily operation. Students are placed in ISS by the principal or assistant principals.

*Continuous misbehavior while in ISS may result in an Alternative School Placement.

LATE ARRIVALS

Any student coming on to the HMS campus after 7:50 A.M. must report to the Front Office to receive a pass to class. Students will not be allowed into class without a pass.

LUNCH

The Middle School campus is closed. Lunch must be eaten in the cafeteria unless a parent or guardian checks out and returns his/her student to the office during the lunch period. For security reasons, a student will not be allowed to leave with another person unless parental permission is given to the principal. No food orders will be accepted from outside delivery people. Food items brought by a parent or guardian are allowed, provided they go by the office to get a visitor's pass before entering the cafeteria. **Parents may bring food for their child ONLY. Parents must eat lunch with their child only in the guest dining area.** The district participates in the National School Lunch Program and offers free and reduced price lunches based on a student's financial need. Information and application forms can be obtained from the principal's office.

NO OUTSIDE FOOD OR DRINK IS ALLOWED ON CAMPUS. STUDENTS WILL NOT BE ALLOWED TO CARRY DRINKS, WATER BOTTLES OR FOOD AROUND WITH THEM.

(Any food or drink brought on campus for lunch (lunch kit) must remain closed until the lunch time begins. Food and drink will be consumed in the cafeteria only and discarded after the lunch period is over.)

NO ENERGY DRINKS OF ANYKIND ARE ALLOWED ON CAMPUS AT ANYTIME (this includes during extracurricular activities).

PRE-AP REQUISITES

PAP classes are higher level/advanced courses for 6th, 7th and 8th grade math students. The PAP classes follow a different curriculum than the regular math classes.

- The student must meet specific criteria to be placed in PAP Math or Algebra I. The following areas will be considered:
 - STAAR Score
 - Final Math grade for the previous year
 - Teacher Recommendation
 - Algebra I- Placement Test Score
- The student must meet specific criteria to be placed in PAP Language Arts/Reading. The following areas will be considered:
 - STAAR Scores
 - Final ELAR grade for the previous year
 - Lexile
 - Teacher Recommendation
- The student must meet specific criteria to be placed in Science and/or Social Studies. The following areas will be considered:
 - Final Science and/or Social Studies grade for the previous year

Should a student not meet Pre-AP requirements, a parent/guardian may submit a written request to the Campus Principal for review and possible acceptance to the program.

SATURDAY SCHOOL

Saturday school may be assigned for any HISD Code of Conduct violation and/or Truancy. Saturday School classes will be assigned by a principal, assistant principal or designee and will be monitored by HISD personnel. Saturday School hours are from 8:00 A.M. until 12:00 P.M. HMS Saturday School will be held at MAC (Montgomery Achievement Center). Additional information will be given at the time of the assignment.

SCHEDULE CHANGES

Students requesting a schedule change must fill out a "Change of Schedule" form by the 3rd week of school. No schedule changes will be made after the end of the first three weeks of school.

SKYWARD

Skyward provides parents with easy access to student grades, attendance, and discipline. Parents are highly encouraged to create access to Skyward as soon as possible. This will be a great opportunity to update any necessary changes to phone numbers, emails, and address changes.

SUMMER SCHOOL

Summer school will be required for students who fail the second administration of 8th Grade Reading and/or Math STAAR Test. HMS may also offer summer school for students who fail two

or more core classes. More detailed information regarding summer school will be sent home during the second semester.

TARDINESS

Students have 5 minutes to move from one class to another. If a teacher detains a student causing them to be late, the student can get a permit from that teacher to avoid being counted tardy. Students late to school must sign in at the office upon their arrival and be counted tardy. Repeated instances of tardiness will result in more severe disciplinary action, in accordance with the Student Code of Conduct and Attendance Policy. Tardies will accumulate each six weeks grading period. (6th grade will follow Restorative Practices.)

The following disciplinary action will be administered for tardies:

- 1st tardy Warning
- 2nd tardy Warning

Bicycles are to be parked immediately upon arrival and at the end of the day, students are to depart immediately. Dangerous or irresponsible behavior on a bicycle will not be tolerated. Failure to comply with these rules may result in the bike being impounded and parents notified to pick it up. Also, bicycle riding privileges may be denied.
